The principal speaker will be Rev. George W. Young, D. D., assistant superintendent of the American Anti-Saloon League. Tomorrow will be known as "anti-saloon day" in Alexandria, the day having been set apart by the State League. Rev. Messrs. West and Richardson, officers of the Anti-Saloon League of the State, will be in the city and take part in the propaganda against saloons. Epworth League.

The ninth annual meeting of the Epworth League Union of Washington and vicinity was held yesterday afternoon and evening at Epworth Methodist Episcopal Church South, Seventh and A streets northeast Washington. E. F. Brown is president of the organization and Dr. H. F. Moore, secretary.

The installation of the following newly elected officers was conducted by Rev. C. D. Bulla, of Alexandria: President, E. F. Brown, of Fairfax; first vice president, Miss Bessie Scaggs, of Hyattsville; second vice president, Miss Emma Pattie, of Alexandria; third vice president, W. H. Death of Wilbur Hawhurst. Wilbur Hawhurst, an employe in the city postoffice, Station G, Washington, died at his residence, 224 P street north west, yesterday afternoon of cancer. Mr. Hawhurst was at one time a teacher in the public schools of Washington. He was born at Fairfax in 1865, and was a son of Job Hawhurst, of Fairfax county. A wife and two children survive him. He married a Miss Elizabeth Brunger, of Washington. He was a member of the First Congregational Church, of Washington, and assistant superintendent of the Sabbath school.

Elks' Bazaar.

A visitor to Armory Hall, where the Elks' Carnival of Flowers will be held for two days, beginning Monday, the 14th instant, would be amazed at the wonderful transformation wrought since the various committees took charge of the building. The ordinarily bare walls and ceiling are completely hidden by the various flags from a canopy of States garrison flags form a canopy of ceiling, and smaller flags reach down from this canopy and are lost in the tangle and profusion of flowers covering the various booths. The booths are arranged with a view to allowing ample free floor space for the crowds. Each one is truly a flower booth, being completely covered with flowers in a manner which makes the whole hall appear as a great flower garden within a tent of flags, and when this picture is lighted by more than six hundred incandescent lights and enlivened by music from famous bands the scene will be suggestive of fairyland. All articles for sale and raffle are artistically arranged for exhibition. The motor boat and automobile occupy a prominent space in the centre of the hall. The booths are in charge of the following ladies: Fancy booth, Mrs. Usher and Mrs. G. L. Simpson; refreshments, Mrs. Morris, Mrs. O'Sullivan and Mrs. Mushbach; supper room, Mrs. Zora Hill, Mrs. Fitzgerald and Mrs. Baggott; Miss Pickett will have charge of the household booth; Mrs. Dr. Jones the flower booth; Mrs. C. B. Marshall the tobacco stall, and Mrs. L. C. Bailey and Mrs. Geo. Usher will dispense groceries. Another fancy booth will be in charge of Mrs. Sam Benheim and Mrs. Frank Hill. These ladies will be assisted in their work by a great number of Alexandria's young and beautiful girls. Many attractions other than the booths will fill the hall and in the adjoining yard there will be plenty of fun. Here will be the "Pike" or "Midway" a great mixture of fun-making attractions where young and old will get the worth of their money to the penny. This "Carnival" should appeal to the people of our city and it will deserve the hearty support of our citizens. "Elks" is a word which throughout this country is synonymous with charity and a crowded hall for each night should be the result. There will be fun, music, beauty and pleasure galore for each night of the Elks' Bazaar.

Masonic Visitation.

District Deputy Grand Master Robert W. Arnold made an official visit to Kemper Lodge of Masons at Falls Church last night. He was accompanied by about thirty members of Alexandria-Washington and Andrew Jackson Lodges. The delegation left here on a special train of the Washington and Ohio Railroad and returned home about midnight. There was an exemplification of the third degree in Kemper Lodge, and a fine collection was spread for the lodge and their guests at the close of the meeting.

After the Delinquents.

One of the charges urged by the Board of Police Commissioners against members of the police force during the recent investigation was their failure to enforce the sewer law. Two residents will be arraigned before the Police Court on Monday morning for failure to tap sewers running past premises they occupy. One lives on King street, between Fairfax and Royal, and the other on Prince, between Fairfax and Royal.

Change in Destination.

J., and that in her stead the four-masted schooner Calumet with 2,000 tons of rock would be sent here. The schooner is now loading at Charlotte Harbor for this port.

The Market.

There was only a moderate supply of country produce in market this morning. Prices had not materially changed from those of last Saturday. The truckers report serious damage to early fruits and vegetables by the cold weather and frosts of the present week. Strawberries, tomatoes, potatoes and cymbalings have suffered considerably. In some cases at least one-half of the crops have been destroyed.

The Y. M. S. L.

The play at the Lyceum last night by the Lyceum Dramatic Club was a success in every respect. The players acquitted themselves admirably and too much praise cannot be given to each and everyone who took part. The play was under the direction of Mr. and Mrs. A. D.
